- Many people need **help at work** (for example, they are required to attend Disciplinary or Performance hearings). We can provide representation at such meetings. All of our team are fully accredited representatives with many years of experience.

- As a member of **Advance**, you are a member of a trades union that is **affiliated to the Trades Union Congress** which has over four million members. We actively play a part in this.
- **Advance's** website includes links to **useful information**. This information is only available to members and includes details of **benefits** that you can use.
- Our **monthly subscriptions** are one of the **lowest** in the sector, at just £6.70. We pride ourselves on giving excellent service for reasonable rates.
